When fast-paced change is the norm, you need a law firm that can simultaneously provide stability while adapting to change. Jackson Kelly's office in Washington, D.C. can provide just that. This office provides a nexus for federal regulatory, government affairs and appellate issues – no matter who occupies the White House. The Firm's D.C. attorneys partner seamlessly with Jackson Kelly's other offices to serve clients across the country. This office is home to a nationally-recognized team of attorneys who are leaders in the areas of government contracting, government affairs, climate change, white collar criminal defense, international trade and federal energy matters.

The Washington, D.C., office routinely handles matters before federal regulatory agencies, including the Federal Trade Commission, Department of Labor, Department of Interior, Bureau of Land Management, Minerals Management Service, and the Federal Energy Regulatory Commission, and assist clients dealing with contracting offices like the Department of Defense, the Department of Energy, and the Department of Homeland Security. Our attorneys also defend clients in the state and federal criminal justice system and represent clients in complex federal government investigations.

Jackson Kelly's Washington, D.C., office offer clients a unique and valuable blend of high quality Washington-based legal counsel combined with a competitive rate structure uncommon inside the Beltway.
