**Nicole B. Grimesey is an Associate in the Health Care industry group, focusing primarily on health care litigation. She practices out of the Firm's office in Denver, Colorado.**

Nicole has taken on the health care industry as a way to challenge herself. According to Nicole, not only is every one of her clients unique, but every one of those clients' cases are unique also — just as unique as the human body. Each case requires detailed knowledge of facts, and no two cases are the same.

Nicole earned her Juris Doctor from University of Colorado Law School. She earned a Bachelor of Arts degree in criminal justice from University of Nevada, Reno.

Away from the office, you might find Nicole curled up with an edgy fiction novel or experimenting with a healthy recipe. Weather permitting, you might even run into her camping.
