Ty Green is an Associate in the Tax Practice Group, focusing primarily on estate planning, elder law, trust and estates litigation, and business law. He practices out of the Firm's office in Akron, Ohio.

Ty brings a background of hands-on legal experience gained during law school, giving him a practical perspective that will serve our clients well. This, coupled with his time as a nationally recognized real estate agent, brings a broad perspective to business law, estate planning, and trust and estates litigation.

His full understanding and competence in the law were evident during his time as a Member of the Akron Law Review and his externship with Justice Fischer of the Ohio Supreme Court.

Outside of work, Ty enjoys spending time with his family and being outdoors. He is a fan of many sports, especially baseball and hockey, and likes to play golf when he has the opportunity.
